STATE REPORTING

All State Reporting resources are available for you on this page. Please click on the tab that contains the state reporting information you need.

- Minnesota
- Wisconsin
- Nebraska
- Iowa**
- Other States

JMC prides itself on keeping up-to-date on all Iowa state reporting requirements. The Iowa Module is re-certified each summer. Before you upload your files to the Iowa Department of Education the Iowa module runs an error report for you. This means you can correct nearly all issues with your data before uploading your files to IDOE.
