

JMC Computer Services

Overview of Elem/Standards and Benchmarks Report Cards

1. Create Standard and Benchmark Definitions and Result Symbols.
2. Instance Benchmarks and Standards to the grade level teacher (Advisor) or to a course.
3. Educate teachers. Use the Standards and Benchmarks Instructional Document and instructional videos.
4. Get the JMC Form Designer downloaded and installed on your computer and create forms with Benchmarks, Standards, and Course Grades.
5. Test report card forms two-four weeks before the end of the term and print report cards at the end of the term.
